

Debtors now have the ability to push their plan payments to my bank from their checking or savings account by using a third party service.

The service provider is TFS, you can find them at www.TFSbillpay.com TFS is an unaffiliated third party vendor.

Debtors now have a total of three options for sending plan payments.

- 1 – Payroll deduction (still the best)
- 2 – Certified funds via US Mail
- 3 – TFS

If debtors elect to make payments through this service, they are entering into an agreement with TFS, not the trustee's office. Likewise, any fees charged for using this service are being collected by TFS, not the trustee's office.

The fee structure charged by TFS for use of the service is shown below.
